About AI Conference

Artificial Intelligence (AI) is revolutionizing tasks that require human intelligence, such as speech recognition and decision-making. Machine Learning, Robotics, and Healthcare a key area within AI, enables systems to learn from data, impacting industries like healthcare, finance, and education.

Scientific IQ Conference invites you to the “International Conference on Artificial Intelligence, Machine Learning, Robotics, and Healthcare” in Paris, France, on June 23-24, 2025. Themed “Analyzing Artificial Intelligence’s Effects: Transforming Sectors and Advancing Society,” the event will explore the latest AI advancements, particularly in healthcare.

Featuring expert-led presentations and discussions, the conference will highlight breakthroughs in Deep Learning and Neural Networks, which promise to improve healthcare outcomes through accurate diagnoses and personalized treatments. Attendees will also have opportunities to network with professionals in the field.

AI Conference Invitation

We are delighted to invite you to the esteemed "International Conference on Artificial Intelligence Machine Learning, Robotics, and Healthcare," scheduled for June 23-24, 2025, in Paris, France. The conference, themed "Analyzing Artificial Intelligence's Effects: Transforming Sectors and Advancing Society," promises to deliver valuable insights and practical guidance for enhancing clinical practice and fostering professional growth, all shared by leading global researchers.

This event will cover a broad spectrum of topics, from foundational to advanced research in AI and Machine Learning. Attendees can look forward to an engaging program that includes keynote presentations, oral sessions, panel discussions, poster presentations, workshops, symposiums, and a forum dedicated to young researchers. These activities will provide abundant opportunities for learning, knowledge exchange, and networking.

We eagerly anticipate your participation in this prestigious event and look forward to your valuable contributions to the discussions.

Thanks and Best Regards,
AI Conference 2025

About Paris, France

Paris, the capital of France, is a city renowned for its rich history, art, and culture. Known as the "City of Light," Paris is famous for its iconic landmarks, including the Eiffel Tower, Notre Dame Cathedral, and the Louvre Museum, home to the Mona Lisa. The city is a global center for fashion, cuisine, and intellectual pursuits, attracting millions of visitors each year. Paris boasts charming neighborhoods like Montmartre, with its artistic heritage, and Le Marais, known for its historical architecture and vibrant nightlife.

The Seine River, which flows through the heart of the city, adds to its romantic ambiance. Paris is also a hub for education and innovation, with prestigious universities and research institutions. Whether you're exploring its historic sites, enjoying its world-class cuisine, or simply strolling along its picturesque streets, Paris offers an unforgettable experience.

For **Exhibition** and **Sponsorships**

Welcome to the official registration page for Exhibitions and Sponsorships at **AI Conference in 2025**. This is your opportunity to showcase your brand, products, or services to a global audience of industry leaders, innovators, and decision-makers.

Why Exhibit?

- **Visibility:** Gain unparalleled exposure to a diverse and engaged audience.
- **Networking:** Connect with potential clients, partners, and industry experts.
- **Innovation:** Position your brand as a leader in your field by showcasing the latest products and technologies.

Sponsorship Opportunities?

Maximize your brand's impact with our tailored sponsorship packages. Whether you're looking to boost brand recognition, drive traffic to your booth, or sponsor a specific segment of the event, we have options to meet your goals.

How to Register?

To register as an exhibitor or sponsor, please fill out the form below or contact our team at emma@scientificiq.org. Don't miss this chance to be part of a transformative event.
